

MD5M Convention Newsletter

92th International Convention, Minneapolis MN

Monday July 6, 2009

Hello and welcome to Minneapolis!! I'm sure you are glad that this week has finally arrived. For the next four days, Bert and I will try to record the events of the convention and let you know of items that may be of interest to you. We welcome any articles or pictures that you may want to include in this newsletter. Simply email us at the address at the bottom of this page.

If we get enough information, we'll work on putting a more elaborate newsletter together for the website after the convention.

Today is the day to wander around the Convention Center and familiarize yourself with the place. Registration will be available.

Tuesday is the official start of the convention with the International Parade. Since we are the host district, we will be marching last in the parade. Assembly time for MD5M marchers will be at 11:00 am in the BLUE area. The Convention buses will drop you off at the staging area. The parade will go south on Nicollet Mall and end at the convention center.
