92<sup>th</sup> International Convention, Minneapolis MN

Tuesday July 7, 2009

Thank you to all the volunteers that have been working hard to keep this convention going smoothly. The convention center was busy all day with visiting Lions and registration. Granted, registration was long but that is why pre-registration is so important.

Hopefully the weather will hold out for today's parade as we show the citizens of Minneapolis what a great group Lions Clubs International is!

On Wednesday, be sure to attend the opening plenary session (if you're not working) to watch the flag ceremony and listen to Colin Powell. It will be impressive.

In the auditorium at 3:00pm, you will have a chance to listen to the candidates running for offices on the International Board. This will help you to make your decisions on voting Friday morning. Don't forget to get your delegate credentials.
