

# MD5M Convention Newsletter

92<sup>th</sup> International Convention, Minneapolis MN

Wednesday July 8, 2009

The parade was awesome! A big MD5M thank you to chairman Keith Johnson and his workers.

While at the plenary sessions, watch the screens during transition times as they show the winners of various LCI contests, parade winners, etc. The second session will be heartwarming as stories of people who have been helped by the “everyday heroes” of Lions.

There are great seminars available during the afternoon to attendees.

Bert and I will see you at the TWINS game!
